Dear Fellow Community Member,

Thank you for taking time to consider sponsorship of Temescal Valley Little League (TVLL). Our league is a non-profit charitable organization that continues to thrive largely as the result of the support we have received from the parents and businesses in our local and neighboring communities.

TVLL annually serves over 600 children in our community ages 4-16 years, in eight (8) different divisions. We are very fortunate that participation from our families is very high and many of our players, volunteers, and board members have been associated with our league for many years. Without the incredible financial support from our outstanding business partners and families, however, our baseball programs would not be possible. We hope you will join us as we start our 25th year serving Temescal Valley (and surrounding) areas.

We would respectfully request your company to become a community sponsor of TVLL. It is these generous sponsorships that help us offset the costs of equipment, uniforms, umpires, field lights, tournaments, and much more for our local players! We also offer the opportunity for local sponsorships for families that cannot meet immediate financial requirements and allows their kid(s) to play baseball. Your tax-deductible donation will also assist children in learning the qualities of citizenship, discipline, teamwork, and physical well-being by providing financial support to our league that is dedicated to all these values. Several options are available:
